

Hi to Each & Everyone of you,

Welcome to Spring ☺ I wonder what Mother Nature has in store for us for the next three months? Well I can't answer the above ? as we know Mother Nature is quite unpredictable ☺

But I do know what we have coming up at my Circle of Light & Aromatic events. So just to touch on a few things. After our fund raiser for the Red Cross and their good work for Tamworth. I have a couple of Essential Angel training events, A Live your Passion Rally, Aromatic Wellness Psychic Fair and the return of Dennis Ganchingco. Because our last Aromatic Wellness event went so well and people were looking for more info I have given you all the opportunity to look a little deeper into the oils if you would like to. Just go to one of my websites and have a look around <http://Mandy.OilsDiscovery.me> or <https://www.myyl.com/amandacoles> Should you find it helpful or have any questions just drop me a note or give me a call. If you would like to join – which I would love - so you too can experience the magic of this product first hand you can do it directly through either of these sites ☺ or why not come into our Live Your Passion Rally you would enjoy the afternoon.

I will send out reminders as usual for whatever is coming up but in the meantime, keep an eye on my website. www.mandycoles.com and go to the What's On page I will update the news as often as I can.

And once more may I wish each of you a fun filled life as you live each day moment by moment leading you to fulfil your special journey here on this planet earth.

In Loving Gratitude

Blessings Mandy
